

The Web is a genuine custom version of a OTS motocross brace developed by EVS. The longer 17 inch shell and patella guard offer maximum ligament and impact protection.

The Motocross Air combines Townsend's patented hinge motion, suspension and rotation technology with the EVS patella guard.

*Townsend Design has a strategic partnership with EVS (a world leader in motocross protective gear) to offer specially designed knee braces for riders and extreme athletes.*

# Motocross
